Re: Cannon v. Ashburn Corporation, Civil Action No. 16-1452 (RMB) (AMD)

To whom it may concern:

I previously filed an objection with the court to the proposed settlement in this case. Since then, I was contacted by one of the plaintiff's attorneys and directed to a FAQ that explains a provision for cash settlement for class members to whom WTSO cannot ship wine to if/when the settlement is approved. I am satisfied with this contingency as outlined, accept it as a reasonable remedy, and withdraw my objection.

Sincerely,

Keith Brown
